CARMEL, IN - The Village of WestClay Owners Association will host the largest tree lighting ceremony in Hamilton County on Saturday, November 25, at 6 p.m. More than 30,000 lights will be displayed at the second annual Lighting of the Village.

The highlight of the evening will be the Lighting of the Village holiday tree. The 40-foot tree will be the largest holiday tree in Hamilton County. Immediately following the lighting of the tree, the festive spirit will continue as the Village lights more than 30,000 holiday lights.

The evening's festivities will include a musical performance by the Carmel Holiday Singers prior to the lighting beginning at 5:30 p.m. During the evening guests can enjoy carriage rides in a historic horse-drawn carriage, mini train ride, or walk through the Village Center to see the many restaurants and businesses. The Owners Association and winners of this year's annual ornament contest will officially light the tree at 6 p.m. As many as 1,000 people are expected to join in the festivities.

Activities for adults and children will continue through the evening at various locations. Families can stroll through the Village enjoying the homes and businesses decorated for the holidays.
